The 2nd Annual

What is Rally at the ROCK? It's a good old fashioned Road Rally!

A Road Rally is a game played by a group of people who pit their intelligence and problem solving skills against each other to solve puzzles, drive to the destination specified in the puzzle, and obtain a "clue" to the next puzzle. The route is *all* about Richmond County! The final destination is a location where participants socialize and eat while scores are tabulated, winners announced *and bragging rights bestowed*. What it is not. It is not a race! Slow and steady brain-power wins this one!

Friday, October 2, 2009

The Rally will be limited to 50 cars, with up to 4 passengers per vehicle. The Rally will begin at Rockingham Dragway with registration at 1:00 pm. and conclude with the Main St. Cruise-In in Hamlet, NC.

Please present Driver's License for each participant and Proof of Insurance at time of registration.
